

Contact data for spectrum licensees

The table below provides an overview of the holders of spectrum licenses and how people can contact them. The intention is to facilitate simpler problem solving in case of interference and to facilitate buying and leasing of spectrum licenses.

The Norwegian Communications Authority tries to keep this overview up to date and welcomes your feedback if you discover that something is wrong or incomplete. The information provided does not give any rights or obligations to anyone. *No liability whatsoever is accepted for any loss or damage of any kind resulting from any defect or inaccuracy in the information.*

The overview will be supplemented with links to licenses and to additional relevant information.
